Professional Experience

2008: Initiated professional career with Omega Training Company, affiliated with KBR, for a two-month period at TQ Base in Al Anbar Province, gaining foundational experience in operational support.

April 2009: Successfully passed the rigorous assessment by GLS company, leading to an assignment with the US Marines - Unit 1/8 QRF at Al Asad Air Base, executing security and operational tasks with discipline.

October 2009: Transitioned to the US Army - Unit 1139 Military Police, continuing operational responsibilities at Al Asad Air Base, reinforcing security measures.

July 2010: Joined US Army - Charlie Company, 3D at Al Asad Air Base in Al Anbar Province, actively supporting military operations and security initiatives.

May 2011 - December 2011: Contributed to military support efforts with US Army - ACO 2-325 Airborne, operating across key bases including Al Anbar, Taji, and VBC, enhancing security coordination.

2014: Successfully underwent an interview and intensive training for a role within the United Nations sector in Baghdad, further strengthening operational expertise.

2014-2015: Served as a strategic team member for MBS Company in Badra, Iraq, providing logistical and security support for approximately 8-10 months.

Certifications and Recommendations

Certified and officially recommended by all military units collaborated with, validating extensive field experience and professional competency.

Successfully completed advanced security and military support training programs, reinforcing expertise in operational efficiency and high-risk management.

Held a GLS Badge: W-10262, demonstrating validated employment, security clearance, and operational readiness in military-assisted engagements.

Reason for Leaving Previous Positions

The assignment with US military support teams concluded following the successful completion of strategic air base missions, aligning with official withdrawal orders issued for US forces.

Career Objective

Aspiring to secure a position within the United Nations or an esteemed international organization where I can apply my extensive expertise in security operations, military support, and strategic risk management, contributing to global peacekeeping efforts and operational excellence.
